

Kia ora e te whanau

ERO

A big "Thank you" to the whanau for your support during ERO's visit. Niki has been assigned as the ERO consultant for our kura. Her role is to help support us identify, evaluate and improve our own school practices.

Sex Education

Learning about relationships and sexuality is part of the New Zealand Curriculum and is one aspect of health education (within health and physical education). Other learning in health education includes mental health education, drug and alcohol education, safety and violence-prevention education, and food and nutrition studies. Learning about health more broadly is essential for the ongoing wellbeing of our tamariki, whanau, hapu and iwi. I know most of us are uncomfortable about discussing pubertal changes with our tamariki so I booked life Education to cover these areas of the Health Education curriculum. Leave it to the professionals.

Technology

Our year 7&8 students attended Technology at Opotiki Secondary School. They spent the week learning how to cook Apple pie porridge, muesli, peach muffins, hash browns and their favorite French toast with cinnamon and nutmeg.

Parent interviews

School will be open for a half day on Wednesday 29th June for parent interviews. Can you please ring our front office on (07) 315 4874 to book a time. Both Ra and myself are available at any time from now onwards to meet with you. All reports will be sent home on Wednesday 29th June.

Matariki

Aotearoa is set to celebrate the first Matariki public holiday on June 24.

Matariki refers to the star cluster also known as Pleiades, which disappears from view at the beginning of the cold months. When the stars reappear in the pre-dawn sky in the middle of winter, it signals the Māori New Year.

Uniforms

All Tamariki must wear their uniform everyday to school. Here below is a price list and where you need to order these. Note: Prices are subject to change.

For an additional \$6 you can have their names embroidered on their T - Shirts and Polar Fleece Tops. The fleece pants are \$28.00.

PROCESS FOR ORDERING UNIFORMS:

All uniforms will need to be ordered from:

Opotiki Signs and Embroidery
19 Elliot Street
Opotiki
07-3157383

The School will not be holding any stock on site. All uniforms will need to be directly ordered from Opotiki Signs and Embroidery. All you need to do is go in and see Michelle Hoskins and place your order.

For those who have received funding from Variety Club I will send home a copy of your balances from Variety Club, and Michelle will have your details on file and send the invoice directly to the School so we can pay for the uniforms from your account. Alternatively, for those on MSD benefits you can apply to them for Uniform costs. If you are eligible for the grant all you need to do is ask Michelle for a quote for the uniforms you have ordered to accompany your application.

If you have any questions, please feel free to email the Admin at office@kutarere.school.nz.
